

REMARKS/ARGUMENTS:

The PTOL-85 Notice of Allowance and Fee(s) Due dated April 27, 2010 allowed each of claims 1-15 and 19-28. The Applicants thank the Examiner for the allowance, and hereby submit this Amendment under Rule 312 [37 CFR 1.312 and MPEP 714.16 and 714.16(c)] to correct a minor clarifying issue at claims 19, 21-24, and 26-28. At claims 19, 21-24, and 26-28, "voice UI" is changed to "voice user interface" (support for the full term is in claim 1). In claims 19 and 24, an antecedent basis issue is corrected by changing "device" to "voice user interface", and a typographical error "UI voice" is corrected to "voice user interface". The gerund form of certain verbs in claims 24 and 26-27 is changed to a gerund form. No other changes are made by this Amendment.

Entry of this Amendment will require no additional search or examination. Because this amendment does not change the scope of any claim but instead corrects formal matters, MPEP 714.16 and 714.16(e) Part II grants the Examiner authority to enter this amendment at the Examiner's own discretion, even without submission to a supervisory patent examiner. The undersigned representative welcomes the opportunity to resolve any matters that may remain, formal or otherwise, via teleconference at the Examiner's discretion.

Respectfully submitted,

Jerry Stanton
